PERSONAL STATEMENT

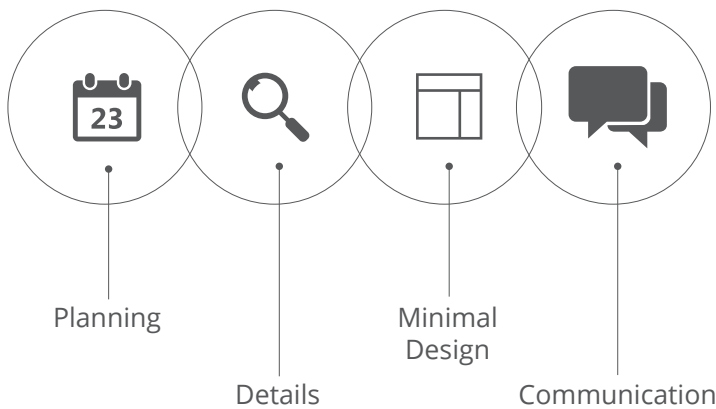

My name is Sarah Räckers. I was born on October 24th 1994 and grew up in Huizen. I graduated in July 2016 from Communication and Media Design. I also did a minor in Music Marketing and Management.

In 2015 I lived in London for a few months to do an internship there at Bright Light, which is a fashion PR company. For my graduation I did a project on communication and design for Kummer & Herrman.

I'm really interested in flat and minimalistic design. It's a very popular style of design and I think this trend will carry in to the future.

I'm always trying to learn new things or improve the ones I already have.
